“ *Becky stated my sentiments so eloquently that it is difficult to add any additional words. Thank you Harold for the privilege of knowing you. Jeanette, Kathy, and David - you are in my thoughts.*

“ *I am so grateful to have known Harold Fennema throughout much of my life. He was at my wedding, attended operas, shared dinners, and spoke with such thoughtfulness about his life and travels. He was a quiet support for Kathy and a real inspiration to many of us. I will never forget Harold's twinkling blue eyes as he would smile knowingly. The couple, "Harold and Jeannette" always made me feel special. It was hard to see the dynamic duo altered by sickness. Bless you Jeanette and Kathy and David, you were such a comfort to him throughout the years and especially these last few months. Love Becky*
