“ We send our prayers and sympathies to Harold's family. Unfortunately, we were out of town and not able to attend the funeral. I worked for Deluxe for 30 years and retired in 2001. Harold was one of the most respectful and compassionate leaders I've ever worked with and a true gentleman.

“ To The Haverty Family I was so sorry to hear of the passing of my dear friend that I served with in Commander Carrier Division-One from 1952 to 1953 during the Korean War. Harold has been a big part of our Navy Reunion since the first one in Dallas 2008 and the last one this year. We will miss his telephone conversation and e-mails that were always a big part of our reunions. Our prayers and thought are for you Ethel that you remember all the wonderful things that he did for you and your family. We love you and your family.
