“ I will always remember the long talks Harold and I had about God's precious Word. He used to say - I will be with Jesus someday! I will never forget his heart to tell everyone about Jesus and hand out tracks everywhere he went.

I remember on many occasions, offering Harold a ride home after Bible Sunday at 9 pm, and he would say "I have to walk" - and one time he turned to me, with a serious look on his face and said to me; "not everyone is anointed to walk, but I am".

I remember with fondness how much Harold liked my banana pancakes and Potato salad (I would always make extra to make sure he had some for a later time!).

Harold, I know you are smiling - because you are with your beloved Savior face to face!

I am looking forward to seeing you again in Heaven my friend!
