“*Uncle Harold was always a kind and generous man, who had a sharp mind and a quick wit. I remember attending a service with him of a nephew that had passed away. The open casket was in the front of the chapel, which was unusually hot. I was sitting next to Uncle when he commented "what are they trying to do, cook him?"*
Stanley Roberts Jr.

“ Thank you Lord Jesus Christ for blessing our family with such a gifted and kind Great Uncle. He was your love to us from heaven. He taught us to know and appreciate all the good things in life, like family, humility, thankfulness, the word of God, and the house of God. Uncle Harold gave us all his very best, because he loved you God, and he loved his family. More than anything, what our Uncle Harold wanted for all of us in the family, was for us to all know, love and serve the Savior.

That is why Uncle Harold helped raise our dad, Mr. Jimmy Jackson, and worked hard to be a positive influence in his life. Because of our Great Uncles commitment to Jesus, my dad went to church with him each Sunday, and approached life much more seriously. He helped build a gentle, honest and sincere character in my dad. Because of Uncle Harold's Christ-like character, my dad raised his family with that same type of love and commitment to the holy, pure, wise and righteous ways of living. Thank you Lord Jesus for blessing Uncle Harold with your Holy Spirit blessings that ultimately blessed and influenced our entire extended family.

Please Lord, continue to have mercy on our family, and give us hearts that are after your heart, and through your kind, gentle and merciful ways, bless us all with Your grace to repent of all of our wicked ways, so we will change, to be more like Your perfect, living and sovereign Son, The Lord Jesus Christ. Please Lord Jesus give our family Your favor to receive and live in only those things that come from the Kingdom of Heaven, and do only those things that are good for us, and good for other people. Please God, help us to have more of You, and less of us. We need your mercy and grace to forgive everyone and everything that has hurt us, and hurt You too.

Please forgive us of our sins Lord Jesus Christ, and cleanse us with Your blood sacrifice at the cross, where You suffered for us, then rose from the grave, and ascended into heaven to sit at the right hand of God the Father, praying for us all to be saved, so we will know, worship, and serve You here on earth, and then for eternity in

heaven.

Thank you Lord Jesus Christ for blessing our Uncle Harold with the gift of eternal salvation and for blessing Him, and blessing us all with a life that was lived after your own heart.

“*Uncle Harold was a kind and generous man. I remember an incident from long ago (maybe 1964) my sister was getting married and I was playing my flute at her wedding. Our car would not start. Uncle Harold drove Jim and me to Cottage Grove to the wedding, waited for us, then drove us back to Minneapolis. Just one of many sweet memories! Love you Uncle Harold.*
