

Harold L. Solensten

November 9, 1933 - February 7, 2019

Solensten, Harold L. age 84, died Thursday night at Methodist Hospital. Mr. Solensten is survived by his brother, John Solensten and three children: Amy Solensten Barnum, Jennifer Solensten Fitzpatrick, and Steven Solensten. He is also survived by four grandchildren, Jillian Lambe, Alexis Nasraway, Christina Solensten and Alexandra Solensten. Harold was a veteran of the Korean War, where he honorably served. Many can attest that the discipline and patriotism he learned during his service remained with him until his last days. He grew up in Madelia with his parents Agnes and Martin Solensten, being the second son of 5 children. After his service in the military, he served in various positions within the machine tool industry, until he had an opportunity to break-out and start his own business. At the young age of 50, he founded Northwest Machine Tools Inc, becoming a self-made and successful business man, as the business continues today. Years later, he retired to pursue other passions, such as target shooting, fishing and hunting. He enjoyed making others laugh and had a sense of humor that cannot be forgotten. A memorial service will be held in the early spring for immediate family members.
