“ *We enjoyed bridge and wonderful conversations for decades. Harriet did have a twinkle in her eye when she slipped in a clever line. Most of all - the times Harriet was most animated and joyful was when she shared stories of her family - the memories, the weddings and births, the holiday gatherings - each generation stories. She loved them deeply!*

“ I will so miss. In our bridge group. She always gave me a wink and a smile anytime I saw her. I knew I was a special in her eyes.
