“ Dear family, just learned from cousin Ruth about cousin Harriet. So deeply sorry! Harriet was mom's favorite cousin they enjoyed summer times together in Princeton. Harriet being my second cousin, I always thought the world of her a kind gentle woman with a soft laugh. So grateful she and your father found each other and she had the treasure of you girls and the joy of grandchildren. She would come over for dinner and relate that she would never marry or have children. Because of the pain she felt losing her mom at such a young age. It made Grandma mom and I so thrilled that she experienced that love And joy. You were very loving faithful and dedicated family to her. What great comfort that was for her and what great pride and joy you were to her! Thank you for that nice picture you took of aunt Lydia my mom Harriet and Self at I Believe an 80th birthday breakfast for Harriet. One of the better pics of me! A treasured for sure! Wished I could have gotten Mom over to see Harriet. They had spoken on the phone a bit. I had stroke in my retina and mom now in memory care. You are in our thoughts for Gods peace and care always! Love, Lynda and Joyce i

“ Dear Marlene, Khoa and the family. Not too long ago, we lost our Mother, now just hearing another sadness. We are at a loss for adequate words to express our condolences for you. I had the blessed opportunity of knowing your mom a bit - long time ago - and I know heaven just received one of the most special angels. You are a reflection of your mom in the way your treat people with respect and empathy. Not to mention the way you make each person feel loved. We are so sorry for your loss. Please call anytime if you need someone to talk to. Love, Phuong & MK
