“ *Mary Jean, I was saddened to read about you mother's death. I know how difficult it was for you and your family to deal with Alzheimer's disease, as my mother also died form this. But you learn to know and love them just as they are! Now she is at peace in heaven. Your Mom was always a special person to me! May God continue to bless you and your family as He surrounds you with love and peace.*

I haven't run into you at Ridgedale lately! With love, Naomi
