Harrison Orest Winiarczyk

August 20, 1945 - January 3, 2026

Age 80, passed away peacefully on January 3, 2026. Born in Ukraine on August 20, 1945, Harrison immigrated to the United States in 1970 in search of new opportunity and a better life. He proudly became a United States citizen in 1974, a milestone he cherished deeply.

Harrison dedicated 36 years of his career to Walman Optical, where he was known for his strong work ethic, reliability, and quiet kindness. He retired in 2012, grateful for the friendships and memories he made along the way.

He was preceded in death by his parents, Bazyli and Katarzyna Winiarczyk, and his brothers Bodgan, Stefan, and Adam.

Harrison is survived by Jacqueline Burns-Winiarczyk; his children Natalie, Jeremiah, and Duane Winiarczyk; Anthony Bruce and Nic Winiarczyk; his sister Bogusia of Pennsylvania; his brother Waldyek of Poland; and many other relatives and friends who will miss him dearly.

Known affectionately as "Earst," Harrison found joy in the simple pleasures of life. He loved fishing, spending time at the lake, and being surrounded by family. He especially treasured the home-cooked meals made by his

mother-in-law-most notably her baked pork chops, chocolate chip cookies, and banana bread, which he spoke of often and with great fondness.

Harrison will be remembered for his gentle spirit, his devotion to family, and the quiet, steady presence he brought to every room.

A private family Celebration of Life will be held in the spring.

“ I found the house that I walked from with the octagon window, it's off Lowry ave N and Newton Ave. I was out riding my bike at night, not to far from the gas station on Logan Ave and Lowry, and from what I remember Spencer Kane, was picked up on 17th and Morgan Ave N.

I just happen to ride right past it. I'll go get the correct address tonight.

Dad I'm scared with out you, so afraid. Love Natalie

“ Dad, I miss you. You are the reason why I am pursuing the nursing pathway. I miss the times we watched trains go by on the tracks near the house and up north. You taught me how to fish, helped me improve on my hobby and provided me with great memories. I thank you for everything you did and i miss being with you.

Love you.
