“ I was saddened to hear of Mr Grant's passing. I went to grade school with Peter and have always been a blue bomber fan going back to when he coached the Winnipeg Blue Bombers! He was an icon then in Winnipeg and will always hold a special place in Winnipeg! He is honoured with a statue at our new stadium to forever be remembered. Shawna Rice

“ Dear Grant Family!

I want to express my thoughts and prayers to all of the family members. Specially to Pat Smith who was a former Health teacher and High School coach down in Janesville MN. I had the honor of being her Volleyball and Basketball Manger while I was in High school and til she retired from teaching and coaching.

I watched your father coach on the side lines while watching Football every Sunday afternoon with my own parents. My own Dad would come home to watch The Bud Grant show every Monday evening at 6.30 unless they had a game on Monday night.

The articles in the Star Tribune were written wonderful on his legacy as a husband, father, grandfather and great grandfather.

Of course his coaching career. Also the article of u Mike with yourDad in Tuesdays paper.

To Bud's children

The legacy that your parents left for u all is the most important gift that two people can give to their children.

Back in 2018 when I heard about the passing of your brother Bruce I was shocked I thought of all of u right away. When I saw Pat back in 2018 I had asked her how your Dad was.

Again I want to express my thoughts and prayers to you all.

Much ❤️
