“ *I just learned that Harry made his last sale. I was fortunate to have known Harry for more than 25 years although it had been a couple years since I last saw him since I retired before he did. My first meeting with Harry was while working as a buyer for 3 years at the VA Minneapolis. When I changed jobs he was my rep at GHI/HealthPartners and also for 11 years at the State of MN. Nobody knew more about the history of Twin Cities Medical suppliers. No other salesman worked harder to get me product and all places to find what I needed when everyone else gave up. Harry helped me learn the medical supply industry as a new buyer. Harry was also a nice guy and maybe that's why he was one of few reps I didn't mind seeing no matter if I needed anything or not. Blessings to you Harry and to your family.*

*PEACE*
