“ We will Always Miss You

*Each day you strived to live, Your body too weak to be.  
Your memory will live forever, Since your heart has set you free.  
Now you walk so bravely, You feel pain no more.  
Angel's have come to guide you, And bring you to Heaven's door.  
Memories we'll hold so dearly, They will never go away.  
And through our lives you'll live, Each and every day.  
Hard days may be before us, It's all a part of God's plan.  
The pain of losing the ones we love, We may never understand  
You'll be alone no longer, And you'd tell us, "Don't be sad."  
"My Angel's are taking care of me, for that you should be glad."  
Our lives have changed forever, Since the day you passed away.  
In Heaven you'll be waiting, To be with us again someday.*
