“ I only had the pleasure of meeting Harvey twice. However I am quite close to his son Scott and through our visits I feel like I have spent hours with Harvey. Just like so many of his generation, Harvey's commitment to family, career, and the details of his life make him the type of person we can all admire. My heart felt sympathy goes out to my good friend Scott and all of the De Vries family.

“ I remember all of the fun times we had with Uncle Harvey, from the houseboat trip on the river to all of the holidays at Grandma and Grandpa's house and visits to Edina. I even had the opportunity to play golf with him at one of the bar's shotgun tournaments in Canton years ago. So sorry to hear about your loss. Our thoughts and prayers are with you. Love Paula, Dave, and the girls.

We were fortunate to be part of your family Laura. What a caring man. His family was so important to him. His trips to Europe with his family for Work . I'm so glad you could experience that with Laura. He made a wonderful life for your family. Cherish it forever.

We were lucky to have him as a neighbor. I remember when we were looking at our house in 01 he came out and said, "this is a quiet neighborhood". He really cared about his neighbors, doing kind things like having an Easter egg hunt for the neighbor girls. We had many talks about Iowa when he was a kid, and the adventures he had while living in Europe. Rest in peace my friend.
