

Hattie Dagbeidi Wollor

April 1, 1966 - October 25, 2023

Hattie was born on April 1st, 1966, in LAMCO, which is located in Yekepa, in the country of Liberia. She received her education at the LAMCO International School, the Assembly of God High School, the Lutheran Technical Institute, the CC Pennoh Secretariat School, Zion University (Attaining an Associate degree in Business), Madison Technical College, and the U.S. Career Institute (Attaining a certificate for Medical Billing and Coding).

She was a lady who put much effort into every endeavor; she was genuine and unassuming, had a wonderful personality, and was committed to providing service to others. She treasures her relationships with both her family and her friends. She followed the teachings of Christianity with unwavering commitment.

Her favorite things to do in her spare time are Cooking and cleaning, reading books, and watching films from China and South Korea. Ma Hattie, our dearest and oldest sister, was a remarkable person in her own right. She was kind, considerate, thoughtful, beautiful, elegant, precious, impressive, irreplaceable, trustworthy, understanding, and sweet toward her family and friends. She was an all-around lovely person.

Your departure as a devout follower of Christ has created a void in the hearts of those who loved you. We are extremely appreciative of the time that we

were able to spend together, even though your departure from us is painful. You made a significant contribution to the pleasure and fulfillment that we experience in our lives, and for that, we will be eternally grateful. You have earned and will continue to hold an extraordinary place in our hearts.

Because of your thoughtfulness and generosity, you impacted an extensive range of individuals. Words cannot express how grateful we are that you were always there for us, whether through happy or difficult times. REST IN PEACE!!!! DEAR!!!
