“ Hazel was an incredible force - generous to a fault, fiercely loyal to her family and friends. She loved our country, dogs, and babies and small children. She was proud of her service in the Marines,deservedly so. She shared her love of trike riding and bingo with me, along with countless hours of watching Star Trek and Star Wars. While she was petite, she's left a huge hole. I'm going to miss her tremendously.

Hazel and I were best friends when she lived in Kingsport. We worked together, rode horses together, had loads of fun together. Billy, she sure loved you.

The lady taught me how to golf. She was a patient teacher. Every time I tee up I think, "What did Hazel tell me to do?"... She was fun to work with at AFPI also.
