“ Losing Heather was one of the hardest things i've ever gone through... Not a day goes by that i don't think about her. She definitely was more than meets the eye, that warm smile, the long blonde hair. It just adds to her amazingness. I'll always miss her. We called eachother twins, on my birthday i still pray and say happy birthday to her too. She was like a second Mom to me. I've known her all my life and i never imagined losing her... She's in a better place now and i can't wait to see her again. She'll always be in my heart along with the rest of you guys! I love you all so much Nash & Nina i'll always be here for you. Rob i still remember the car ride home that one time when we were all there, having sooo much fun together :) I'll always love you guys. Nina, sisters forever

“ *Mark, Michelle, Marissa, Marsh, and Mia* We are so sad for the loss of your sister/aunt. Life is so hard to understand when something happens that doesn't make sense in our human minds. It seems unfair that God would leave Nash and Nina without their Mom to finish raising them. This is when our faith has to sustain us in trusting that God's ways are better than ours. No, it won't take the pain away but it gives us hope to face tomorrow. We are praying for your family, Mark....that God would use this tragedy for good in their lives. Wishing we were there to wrap our arms around you. Love you,

“ To those who love Heather, I am absolutely stunned, and saddened to hear about this tragedy. I knew Heather only a short time, but I can say without a doubt that everything that Heather did, it was with Nash and Nina in her heart. Perhaps it is an odd thing for a divorce attorney to so like her clients, but working with wonderful mothers like Heather, you all must realize how rewarding it is. To know someone who has such integrity, who is so caring, who took responsibility and who respected others is certainly a privilege. My thoughts are with you. And Nash and Nina, know that your mother is always with you. You will carry parts of her your entire life. You will raise your children as she has raised you. “ We knew Heather since we moved to Champlin 7 years ago. The Solbergs lived a block away from us and our kids walked to school together. The smiling face you see above is who we always saw when we met her. Life is so short. Tell your family and friends you love them every day! Nina and Nash, we love you!

“ Solberg / Hollingsworth Family, I live across the street from Heather and her family and was so shocked and very saddened to hear of such a tragic loss for your family. While I didn't know Heather real well, she was the first to greet me when I moved into the neighborhood, that spoke volumes on the type of person she was. I pray that the memory of her will help carry you through this difficult time. The Wick Family

“*Heather and I went to the same schools in Richfield, MN and graduated together in 1982. I will always remember her as a very kind and friendly person with a great sense of humor. I see from her photo that she continued to wear her hair long! What a terrible loss to her family, children, and friends.*

“ Nash & Family, We are so sorry for the tragedy of your mom's death. She's an angel in heaven now and will always have her arms wrapped around you. I know you'll all get through this very difficult time. God is only a prayer away, and He will give you the extra strength you will need. And lean on your friends...they are there for you. Whenever I think of you, Nash, I think of the incredible amount of treats your mom sent up here on Memorial Day. We're hoping you and Nathan will come up here again a little later on this summer. Again, our condolences. Mike and Lynn Engebritson
