“ In 2004 I went on a Youth With A Mission missions trip to Mexico with Heidi and around 15 other students and staff. I wrote a song about her on the trip. She was the sweetest person and a total light of Christ. I know that if she was present she would want everyone to forgive the person responsible for her death.

“ We need to change this Nick was NOT a “loving husband” he’s a
murderer. RIP Heidi 🙏

“ Since her “loving husband” Nick was charged,
convicted and serving life for her murder, we
should change the obituary.

GARRETT SCHWINDT - December 08, 2023 at 12:00 AM

“ I want to extend my sympathy to Heidi's friends and family. It's clear that she was a singular and wonderful human being. Though I never knew, or met her, it's obvious that she was a beautiful person who made this world a better place. Her loved ones will see her again someday. There is only one place the souls of people like Heidi go when they leave the temporal for the eternal. So there will be rejoicing and healing when the people who love her, are reunited with her.
