“Helen was and is such a sweet sweet lady. I enjoyed getting to know her at our church New Hope Church in New Hope, MN I knew the instant I met her that I wanted to be her friend. We were able to visit from time to time while chatting and sipping tea. I loved listening to her stories and cherished what we had together. She enriched my life in the little time that we had here on earth. She has been a blessing to me, and I am forever blessed by our friendship.
