“ Dear Lowell and family,

It is with deep sadness that I write to you upon Helen's death. I remember all the wonderful times we spent with you and Helen in Texas. We had such nice visits with you in Minnesota at your home and the lake. We were so blessed to have known both of you. May God bless you all during this time of sadness. Lowell, I pray that Helen and Pat will be there to welcome us when our time of transition comes. I will be thinking of you on Friday and times to come. Blessings, Dick
