“ My Mom was my light and my joy. We laughed together, shared our thoughts and dreams, and supported each other in life's struggles. I will miss her dearly, but I know now, that she is with her Lord and Maker. She is at Peace. She passed away on the exact same day as my father, 23 years later. Her service was on his birthday. God Bless all of our friends and family who remember her fondly. Thank you for your kind words and support during this difficult time. Love you Mom!! Amy Bonde
