“ *Helen and I were St. Kate’s classmates and friends. Prior to our student teaching Helen observed classes at my home town of Albert Lea for a week and was a guest wit'h our family. Her mom was Nana to my two young daughters while we lived with her one summer. We attended hers and John’s wedding. at some point we lost touch I didn’t know she also had two daughters. I am sorry you’ve lost your mom. My memories of her are so clear: f a wise, gifted and tough woman. I suspect those are family traits. Please accept my condolences.*
