“ I worked with Helen at the Kenwood and I loved her sense of humor! I remember her telling me very interesting stories about her childhood in Minneapolis. Several times I got a chance to sit and chat with her and we always had enjoyable conversation. I still remember a funny one-liner she came out with once that made me laugh and laugh. I was amazed by how sharp she was for 97! She was a neat lady and I'm so happy I got a chance to know her. I also have a picture of her and another resident that I took at our Halloween party shortly before she moved, that I will share here. I'm glad I took it.
