“ *Uncle Ed,
Was sooo sad today when I heard about Aunt Helen. Know that she's in a better place but cant help but feel a void with her gone. Will always remember that sparkle in her eye, how much she loved singing, dancing and Ill never forget her laugh. Remember when I stayed with ya'll one summer....about the time I was ready for bed , she would be in the kitchen making her famous brownies. ALways wondered where she got her energy.
Wish I could be there this weekend to share with family our love and memories of the past Aunt Helen will alwalys have a special place in my heart.
I will be praying for you too Uncle Ed that your memories of the good times you and Helen have had will help you thru this difficult time.*
