I love you so very much, I will never forget u and I'll see you soon. Thank you for being there. Thank you for giving me and Emmie some of the best years or our life. Thank you for taking us to camp. Thank you for taking us to tennis and watching every game. Thank you for everything. I love you so much you don't even know. Remember our cards we made while Emmie was practicing volleyball? It was the compound words that we would test each other with. Ur hugs were the best. Anyways, im 12 now, I think it's been like 3 or 4 years now. It feels like forever. “ Dear Dick and Caitlin,

I have such fond memories of Helen as she volunteered in my classroom at Bel Air when I had your Caitlin in 3rd grade. She out did herself as a party mom with special treats and such fun games and activities. I cherish the book she compiled at the end of the year and presented to me...full of pictures of my students during the year and all the activities they were involved in. Helen also knew I liked coffee and very often when she came to volunteer she would bring me a special cup of flavored coffee....she was so kind and caring. Just this past July I had such a wonderful evening catching up with Helen at a wedding reception that we both attended.

Dick and Caitlin you have my sympathy and I will keep you in my thoughts and prayers.

*Love,
