“ I love you grandma. You n grandpa were in Florida every religiously to watch me play baseball. I remember staying the night at the condo in Venice. We would stay up watching movies n eating fudge royal ice cream. How you loved to see us eat. When Andrew was born you were so sweet. You sat there looking at his toes n fingers. Saying don look at his fingers look look. The smile on your face is what sticks with me. I know u are looking down from heaven grandpa n dad by your side. You have been promoted to glory! I know this and you are smiling down on all of us. Give them a big hug from me. I miss y'all dearly.

“ Grandma Shine thank you for always being there for me. You will be missed more then words can say. The only comfort I have is knowing that you are with Grandpa Don and my father again.

P.S. don't feed grandpa and dad too much ice cream

You are always in my heart.
