

Henry Lee Chess, Jr.

April 5, 1934 - February 27, 2026

Henry L. Chess Jr. passed away on February 27, 2026. He would have been 92 years old on April 5th. Henry was born in San Francisco California, raised on a farm in Bloomington Illinois, served in the Korean War, and graduated from CalPoly in San Luis Obispo, California.

Henry worked in the fiberglass industry for many years. He had an engineer's mind and loved to build things, fix things, work outdoors, and was always there to help and provide for others. Especially his family. We thank God for his steadfast support and for being a faithful provider.

Henry is survived by his wife of almost 65 years, Bonnie, his son, Rodney and fiancé Emily, and daughter Roxie.

A celebration of life will be scheduled at a later date.

Donations in his memory can be given to the Cancer Society at [cancer.org](https://www.cancer.org)
