“ Dear Brian, Chuck, and your families.

You must know that my family and I were truly saddened when learning that your father, and my Uncle Henry, went home to meet his maker this week. I am comforted by the fact that Uncle Henry lived a full and happy life, touching numerous lives along the way with his friendly and encouraging disposition. The hospitality industry seemed to fit him so well as he excelled at life and his career with such enthusiasm.

His 70 year marriage to your mother, and my Aunt Janie, must have been very satisfying for both of them. As anyone could see, they were deeply in love. Such a precious gift... they were surely meant for one another. I'm happy to know they are together again along with their parents, our grandparents, and others.

I know you all will truly miss Uncle Henry in the years to come. I pray that each and every one of you are able to find peace and comfort in the days ahead. We will be with you in spirit as you go about celebrating his life.

*With Love,
Bob & Jan Nusbaum and family.*

“ *Brian and Chuck, Your father was an inspiration to me here at Founders Ridge. As his chaplain, I learned more from him than I could ever teach him. His life story was a powerful testimony to the peace that he wanted to grasp onto and assure others of that peace. May your families rest in that assurance of being reunited when the time for each of us is called to be with the Lord for eternity! Pastor Brad*
