“ *Hank Gardas, where do I begin? I worked with Hank at FMC; I was the machine shop administrator (fancy word for secretary) under Bob Olson. Hank was a General Foreman on second shift. He loved to laugh and tell jokes - Polish and blonde jokes mostly but no nationality was immune. He'd walk in for the General Foreman meeting with a twinkle in his eyes and I knew in was in for another new joke.*

*Hank was kind and had a big heart. He was memorable - it's been 30+ years since I worked with him and I still think of him fondly.*

*Rest in peace, friend.
