“ I worked with Henry for many years at the Hennepin County Sheriffs Office. He was a great friend and role model with his quiet demeanor and his ability to establish a rapport with people from all walks of life. (A quality so important in a law enforcement officer). We continued to meet for lunch over the years. He bore the tremendous weight of so many health problems but instead chose to focus on his blessings. He loved his family and always gave his wife, Bev, credit for taking such good care of him and acting as his strong advocate in the health care community. To know Henry was to like Henry. He will be greatly missed. Henry, may God bless and keep you and your family. Dennis and Diane Lee
