“ To my unconditional Loving caring father, dad and best freind ever who loved his family freinds and the brothers and sisters he worked with and always had so much fun with and most everyone he ever came in contact with his kind, freindly and most unique personality could always get a person to smile and feel welcome with all of his interesting conversations and crazy off the wall practical jokes and humor there's no one on this Earth that can ever match up to the effect he could bring out of all people who knew him.thats how he got his nickname King Henry ,33 1/3 King of the world champion of all evil. I will miss him every day I have left in this life. Until the day I can meet up with him in heaven. I love you so much Dad please rest in peace. Paul
