Tribute Wall

TJ

“ *Living life to the fullest is the ultimate achievement. Some of us are fortunate enough to have had grandmothers/grandfathers, mothers/fathers and aunts/uncles that share life stories (good and bad), and set an example with service, family, work ethic and volunteerism. From this we learn and it shapes our lives. This is why they are referred to as the greatest generation. Hank distinguished himself in that image. He will be greatly missed --*
