*My sister was Geri (Bogren) King. She was married to Tom King... my brother in-law. I have been living with Tom (Geri deceased October 31, 2013) since April 2010. I met Sonny several different times through Tom & Geri. He had a terrific smile and had a very upbeat personality. I wished I had gotten to know him better. Linda, I have you in my thoughts and prayers as well as the rest of Sonny's family.*

*May the Lords Blessings be with you...*

*Love,  
Tim*

“ *Sonny may have been an only child but he had a lot of cousins that he loved to hang around and have fun with. I am one of those many cousins that Sonny had. I loved him as much as I do all my brothers. He was more like a brother than a cousin. I know I will miss not seeing him at future get togethers and family gatherings. It won't be the same without him. Sonny was so much fun to be with and he had an infectious smile. He definitely had a magnetic personality that drew you close to him. Whether it was a small get together or a larger family gathering and you heard Sonny would be there... you couldn't wait to get there to see him. I liked his light heartedness, his teasing and humour. He always had a fun and positive attitude. I Love You Sonny... God Rest Your Soul. My condolences to Sonny's wife Linda who was an awesome caregiver and had to burn a candle at both ends. Sonny was blessed to have such a caring person stay steadfast by his side through very difficult times and through his long declining health issues . My condolences to the rest of Sonny's family. Our thoughts and prayers are with you all.*

Love,  
Tom
