“ Henry was a great friend. We met at General Mills and found a knack of collecting model trains. We did many trains shows locally and within the 5 state area. Going to miss our adventures and friendship.

“ Henry was such a kind gentle person. I knew him back when we were in high school together and then we were able to renew our friendship at our recent yearly High School Reunions. This very caring gentleman will be remembered and missed. Please know my thoughts and prayers are with his loved ones. Love and Aloha,
