

Henry E 'Hank' Scherer

August 28, 2015

Scherer, Henry E. "Hank" Age 77 passed away on 8-28-15 in Zimmerman MN. Preceded in death by mother Laura Scherer; father Carl Scherer; and Julie wife of 38 years. Lovingly remembered by daughters Stacey Scherer and Libbie Scherer, brothers John, Richard and Bill Scherer and their wives Beverly, Nancy, Adela; and many nieces and nephews. Together we reflect on Dad's life; Dad was known for his stories of his days in the National Guard, his Montana hunting trips, his softball games, his fond memories of his days at PAKO, his trips to Europe, trips to Lake Lida and Lake Vermillion, his love of birds, summer conversations/ lectures on the deck, gardening, his koi pond, his frustration with anything electronic, his manicured green lawn, his news updates fresh from FOX News, and we can't forget his quirky vigilance with storms-always notifying us to be wary. These past couple of years Dad's health and mobility were failing. Combined with missing our mother, he found real comfort and joy in his beloved pets. Dad now you can rest in peace with Mom and visit all the pets of yesterday- perhaps some of them are behaving better now. "So long", we love you. Memorials can be sent to Henry E Scherer Trust. Interment Glen Haven Memorial Gardens. Memorial service 10:00 AM, Thursday, September 3 with visitation one-half hour before service at: Washburn-McReavy.com Glen Haven Chapel 763-533-8643 5125 W. “ I never had the opportunity to meet Hank, but I know he was a loving father who raised a wonderful daughter. I work with Libbie and we want you to know that her Five Star family will be waiting to comfort her when she returns to Florida.
