“ This goes out to all the family and friends that knew Hieu. our parents have met when i was just a baby. at 5 have moved out of minni to california. About 25 to 30 yrs later is when i met his mom Maria which is my Bac. she was a very inspiring women. so not that long ago is when i had a chance to visit my so called home town. spring valley minnesota. so the first night i arrived at my Bac's house, i met hieu. we exchange some words for a bit and then he had to go and said we'll see each other soon. next day God gave us the opportunity to go have dinner. while we sat there and ate, we had a wonderful conversation. that night, i felt he was very happy in some ways that he had met me. The next day. we met up again. we went to eat and drove around and talked some more. This is when our conversation got really deep about ourselves and man. all i can say is that even though i just met my cousin. our lives were soo similar alike. for the time i met hieu. all i can say is that hieu is one very special human. he had so much love in his heart no one can understand. He loved his children so unconditionally that he had great plans for their future. was gonna raised his kid out in southern california. He loved the whole family and always wanted the best for them. we talked so long that i felt like i knew hieu my whole life. We became brothers that night and man i tell you. hieu and i was soooo happy that we have met. all i can say is hieu left with a beautiful heart. He's in a better place now. I pray to God, jesus. mary, st joseph and all the angels and saints and to you all my brothers and sisters. please forgive all his sins blessed his holy heart and bring his soul St. Vincent to the gates of heaven. 🙏🙏🙏 Brother I miss you and i will cherish all the memories we have made before your left. don't worry, your family's and kids will be ok. till that day we met. please pray for your family and friend to be safe.
