

Hilde Marie Osten

March 1, 1921 - April 5, 2018

Age 97, of Mpls. passed away April 5, 2018. Preceded in death by her parents, Friedrich Zeissner, Ernst Wienands (step father) and Elizabeth Wienands, sister Edith Schwabenthan, and son Frank Osten. Hilde's greatest joy was her family and we all benefited from the love she showed us. She believed strongly in the importance of family and was a tireless supporter of her children and grand children. She was always there for encouragement, but made sure to teach us all how to stand on our own. Hilde loved the holidays was eternally grateful for the inclusion and love given by friends and extended family members. Hilde made a lasting impression on all of us and she will be missed by those who knew and loved her. No funeral services are planned but notice of an open house gathering will be forthcoming.
