“ I've never met Holly. But I do know Bill, her husband of almost 38 years. Bill and I worked together at two companies and met more than 50 years ago. I came here to send condolences to the family and friends of Holly, her loss will be preserved in the memories she has created. I also wanted to recognize the extraordinary dedication to Holly by Bill. For nearly two years Bill guided the numerous medical teams charged with Holly's care and sat at her bedside without fail. Every day. For two years. He put aside his passion for golf, his friends probably felt he had stepped back from regular contact as Holly's health declined. Bill went to extraordinary lengths to find a path forward for Holly but God had other plans. Bill's selfless compassion and support showed me an uncommon grace rare today. In fact I can't say I know another person in my orbit who has shown such a deep level of kindness. I'll bet that gave Holly a great deal of comfort.

This is a very nice tribute of Bill. This is Carla Lagerstedt, a long time friend of Holly - from Gibbon, thru all the good days @ Green Lake. We played alot of Scrabble!! Learned to play that @ Green Lake when Biebl's had a trailer as a cabin! My mom was a Biebl so I knew her family well. May she rest in peace.i will miss her.
