“ To the family of Howie, My thoughts and prayers are with you at this time. Howie was a good friend , one of Dicks high school buddies and the Eldraco car club, remembering the car races a ekco speed way..double dating and lots of fun times. He was a groomsman at our wedding...fainted right as Dick and I were exchanging our vows..I think he was a little nervous...Always impressed how he took good care of his health , staying strong and active. He would always be biking around New hope and stop over to chat with Dick for hours. He loved his car (corvette) and his trucks, that is really what they had in common...cars and trucks!! Kept us up on how his kids were doing ,very proud of them.Will always remember him in his western shirts and great looking western boots. Howie was a very good friend to both Dick and me..a kind, caring guy.

“ Howie was a good friend of ours in the late 50's and early 60's. We went to several high school dances with Howie at St Louis Park Sr. High and many fun parties. We really enjoyed his company and we double dated in his cool car. Howie and his Dad, Harry, kept our old '55 Ford running which was quite the challenge. Good memories of Howie, his Mom, Beulah and his Dad, Harry. Our thoughts and prayers are with you, Beulah and the rest of Howie's family. Fondly,
Tip and Judy (Gronau) Lausen
