“ Howard was my neighbor for 39 years. He was the perfect neighbor and friend in every way. Howard had a vast knowledge of so many things, he helped my dad and my husband with projects and problem solving throughout the years. One outstanding feature of Howard was his wonderful sense of humor. Even when I was a kid, he always had a wise comment of wit for me. He used to say that he would check the obituaries every day and if his name wasn't in there, he knew he was ok. Howard, I know that Jesus welcomed you with open arms and you are in a better place, but we will miss you and your contagious joy. Thanks for being such a special person in my life! Howie was part of our Eau Claire Camping Group for many years. He was always fun to have around. I recall many good times with his family. He was my next door neighbor in Eau Claire when I was a child. I was sad when his family moved to Mpls. May warm memories of him ease th sorrow his family feels now. He is reunited with Donna. Iwas lucky to have seen him twice this past year. Susan Brumberg-Schaefer
