“ *My sincere sympathy to you in the loss of Ida. She was such a kind and beautiful lady. She and my mom Martha Gonsorowski were very good friends. They worked together at the Eagles and played Bingo together and were companions. Find healing as you continue the journey without the physical presence of Ida. (my mom passed at 87 as well and my daughter went to college at UST with Michelle)*

*Sincerely,
Marlene (Gonsorowski) Flenner*
