“ *Beloved Cousin Illona--We are all very sad at your early passing. In your very special way, you meant so much to all of us in your family circle. Your kindness, laughter and smiles will always be in our hearts and we will never forget your love and devotion to your siblings, your children, grand and great grand children, family and friends. God, however knew that you were suffering and saw your tired face and pain, so he put his arms around you and lifted you home to rest. It hurts so much to see you go but comforting to know that you are now in heaven watching over us. May you rest in the arms of the angels, in a place of peace and love, watching over us always, from the heavens up above. Your loving cousin-Morris (Danny Boy.)*
