“ *lone was such a kind & sensitive soul and a wonderful artist. She was in the Central High School of Duluth class of 1944(?) and was in a group of friends that included my husband Ray Campbell (of Pike Lake near Duluth MN, now deceased 2001) . The only survivor of the group is Floyd Kruger of Cloquet MN who was sad to hear of her passing as they shared a lengthy friendship from their teen years. We are comforted to know she is with John in a better place. My condolences to her sisters.*
