“ *My last phone call with mom.....I will miss most of all.....Her soft voice would reply.....I am okay.....I vision her smile,and that eases the pain.....just for a while. Her journey was long, because she's so strong. Her unconditional love for those fortunate enough to have been touched by her grace..... Will forever remember, that smile on her face.*

*Losing someone you love is never easy. Ione had a beautiful, loving, and tender spirit. She had a smile that you couldn't help but smile back at. My heart goes out to the family in this time of sorrow. Find peace in that, heaven holds the faithfully departed.*
