“ I remember me and Uncle Ira John went to the Bulls game together. It was a great experience! What I remember most is how easily he made friends. He had our whole section going and by the end of the game every one over there knew him by name. I just said wow, Unc has such a magnetic personality. And we all have experienced that with Unc! And he loved my sons Justin and Austin so much! We're really gonna miss him so much!!! Love you Unc!!

“ My favorite memory of my Uncle Ira is of when I was little him and the rest of my uncles drunk beer. My Uncle gave me my first beer, at least at the time I thought it was real beer. My uncle got us neer beer, and I remember it so well, the cans were black and white and said Neer Beer on them. I remember thinking I was drunk and seeing my uncle laugh. I'm going to miss him dearly. Love Koko

“ Uncle Ira was a kind, caring, and funny man. Adorable in all his ways. His legacy will live on through his beautiful daughter (my cousin) MiMi, his grandsons Jacob and Alan, and beloved great-granddaughter Alana. I love you Uncle Ira, and I'll see you when I get there.
