“ I am so sorry to hear of Irene's passing. She was such a fun Red Hat Friend! I loved to hear her talk about her early life. Like the time she was going to cook a special meal for Company, and splurged on a tough piece of steak. Her giggle was contagious! Once we got started, we could not stop. She will be missed. Sincerely, Debbie Johnson

“ Oh my, what a trouble maker that sister was...always thinking of a prank of some sort as anyone who knew her can attest to. Ha!! So many memories shared when we were growing up. Will miss our phone calls and laughs every time. Love always, Dollie

“ So sorry to hear about Irene. I remember sitting at her kitchen table when we were in high school and having her tell Janelle and I stories. And Craig's Roadrunner and the big bedroom upstairs.
