“ I am going to miss your smile and your never ending belief that all people are "basicly good". just in different ways .. your large family was something you were concerned in every conversation....knowing you for 18 years was not long enough....thank you for considering me to being included in the family.. Nadine.... You will be well taken care of...your Mom. Told me" I better or else. "

“ We are so blessed to have such a fantastic Grandmother. We had the best time talking about the times when Troy was a kid. Grandma is finally able to see Grandpa, Dad, and Terry. She longed to see them again. We will forever miss you Gram!! Love you, Troy and Tracey
