Aunt Irma was so very special to all the Fredin families, and especially to me, her niece. She never forgot anyone's birthday and always sent lovely Christmas cards with handwritten greetings. When I last saw her in Aug. 2023, she was recovering from a serious hip injury, was in much pain, yet she was happy to see us and cheerfully engaged in conversation with my sister Karen, my niece April, and me. It's amazing how well she remembered everyone in our family and even inquired about my siblings and their children. Her mind and memory was incredibly sharp for a 96 yr. old. I will miss her, her always cheerful spirit, her lovely cards, and our wonderful phone conversations. I will love her always. 🌹🌹🌹
