“ We were so blessed to have Irma for a neighbor! She was always so kind, friendly, energetic (yes - even in her 80's!), and joyful!

“ Sorry to hear about Irma's passing. Although I had not seen Irma for some time, remember her a s very caring and lovable person. My name is Vern Langjhorst, and Irma's mother, Alwina, would have been my aunt. She was the oldest of the Langhorst family. My dad's name was Paul and he grew up in the Courtland area and later moved to Gibbon, Mn, and later to Winthrop, MN. I was the youngest of our family and the only boy. Once again, my wife Joan and I offer our condolences. *Vern Langhorst.*
