“ I have so many fond memories of spending time with Uncle Irving and his family throughout the years, both as a child and as an adult with my own family. I will never forget his jovial laugh, love for his Savior and his family. I can't imagine how many hundreds, probably thousands of lives he touched in a meaningful way during his lifetime. Know you and your families are in our thoughts and prayers.

Love,
Ronda (Larson) Underwood

I just found and read this obit. So sad to discover that both Irv and Kelly are deceased. They were my godparents and we had lost touch. May the Lord bless the memory of both because they were a significant part of my early spiritual walk and likely prayed for me later in life.

“ Met your parents when living in Faribault, Mn., then to Mankato, Mn. with sister, Laurie, to care for Curtis and Julie, during summer. Then they moved to Bemidji, MN., too far North to connect, got older, other activities with school, work and had son, Timothy in 1991. When your parents lived in Laguna Hills, CA, was blessed to visit with them for about 4 days, with Timothy, had beautiful home, great place to retire, showed us all the activities they could participate in. Curtis lived in CA, too but was busy, so didn't see him at that time. Was blessed to see you all in Bloomington, at anniversary, and then in hospital when your mother was sick. Dad, Wendy, and I attended her Celebration of life, one of the nicest funerals ever attended, loved the song theme, fit Carolyn beautifully. Then your dad moved in with Carrie and family, i know without a doubt he loved being around his grand child, i LOVE, all the times i get to see them grow, because way too fast they are out of the home, making new adventures, adding their very own puzzle pieces. Continued to hear from Curtis, Julie seeing their posts on FB, which enjoyed immensely. Sending my condolences to you all, pray you continue to keep posting, love having you at friends on FB. LOVE, PEACE, COMFORT, AND GODS ABIDING LOVE. Will cherish the memories, your parents were wonderful, so very grateful had the many opportunities to spend with them and help care, babysit you 3 when babies, and now watching events, as adults. PRAISE GOD FROM WHOM ALL BLESSINGS FLOW.
