Isabella Yve Corcoran Roberts
January 15, 2003 - March 15, 2024

A beautiful light went out in the world on March 15, 2024 when Isabella Roberts passed away. Bella, 21 years old, was born January 15, 2003. Her life was filled with triumph and tragedy, joy and pain. She was a winter rose, a beauty amidst the hardships of life. Through everything that failed her, still the flame of her spirit burned brightly.

From ages 3 to 10, Bella took to modeling. She loved the camera and the camera loved her right back. She was a natural with a full range of unforgettable expressions. However, it was when Bella discovered horseback riding that she found her true love.

She leased two horses named Bailey and Missy. She was a member of the Northwest Saddle Club, riding with Northstar Stables for several years. She rode western, competing in barrel racing and other timed events. She and Bailey won top honor at a competition after winning three events.

She loved helping younger riders with saddle and grooming tips. She enjoyed helping with classes and riding with stable friends. In 2020, she found Ace, a nutmeg brown American Quarter Horse. They were a perfect match; they

were both fiery in spirit. Bella used her money from modeling to purchase him and had been taking care of him ever since. She left this world with the dream of one day living in Washington where she would be able to ride Ace everyday.

Her tender heart reached the misunderstood, whether it was the smallest animal or a stranger on the street. If there was a need for help, she was ready to give however she could. Bella had a smile that glowed and a sharp-witted humor that will forever be cherished and missed.

She is preceded in death by her older brother Buddy, Vincent Harold Roberts II, her paternal grandparents Stanley and Gladys Roberts, and her aunt Reola Williams. She is survived by her parents Vincent and Lynn Corcoran Roberts, her sisters Alyvia Roberts and Rachelle (Paul) Cushing, her brothers Joel Roberts and Aaron Hayes, her nephews Isaiah, Judah, Eden, and Ari Cushing, and many other loving relatives and friends.

“ Horses have brought many amazing friends into my life. Bella was one of them. I'm going to miss you so much. I'll make sure Ace gets a lot of hugs, brushing and attention. Until we ride again ❤️

“ I met Bella at the beach a while ago and we got to talking, only to find out she lived in the same booney town ,when she was younger, that I currently live in and she used to play with girls that I’m currently friends with. ever since our friendship blossomed. I’ll never ever forget her kindness and love she showed not only me but EVERYONE around her . she had a heart made of gold and she showed it loud and proud 24/7 through actions and words. I’m going to miss her laugh and all our goofy FaceTimes and constant convos. My heart aches that we can’t follow through with the plans we made for when I got back. I wish I hugged her a little longer and harder when I saw her a little over a week ago. I’ll never ever forget her sweet soul and how much she changed my life just being an amazing friend. I will cherish the friendship I had with her forever and ever. I love you Bella ❤️

“ Oh Bella, loved so big and gave so hard. What a sweet old soul, yet so young. Cherishing our many summers together and the way you made us laugh, just being who God made you to be. The split second problem solving while not calculating the outcome, but saw a need and had a solution. The ups and the downs, no matter where she was truly at, she was sharp and quick. A beautiful girl, inside and out!

“ Bella and I met at north star. She was so full of joy. Hearing her life stories broke my heart but made me realize how strong of a person she really was. I'll miss seeing her at northwest. She made me and so many others better people. Such a soft soul. Prayers to her family. ☐
